

# Montana WIC Farm Direct Benefit Redemption Guide Farmers' Market Nutrition Program Benefit

1. **Check the dates** in the “First Day to Use” and “Last Day to Use” boxes. Do not accept the FMNP benefit before or after these dates. **Fill in the current date on the benefit.**
2. **Verify that all foods are approved fruits or vegetables.** Use the “Farm Direct Eligible Food List” as a guide.
3. **Multiple FMNP Benefits may be used in one transaction.**
4. **Say “No”** to IOU's , rain checks and refunds.
5. **Write in the “Amount of Sale” making sure it does not exceed the maximum value printed on the benefit.** If you make a mistake, cross out the incorrect price with a single line, place the new price in the correction box and have the participant initial the change.
6. **If the cost of the fruits & vegetables selected for purchase exceeds the maximum value written on the benefit,** enter the maximum benefit value and the participant may pay the difference in a separate transaction. Do not write the amount of the overage on the benefit.
7. **Have the participant or proxy sign the benefit.**
8. **Stamp the FMNP benefit with your Farm Direct stamp before depositing at the bank.**
